S I R:

In response to the Quayle Office Action mailed on August 8, 2007 (the two-month response date for which has been extended by three months from October 8, 2007 to January 8, 2008 by the accompanying Transmittal and Petition to Extend), in which the Examiner has stated that the application is in condition for allowance except for formal matters as to claims 81 to 97 and the drawings, and that prosecution as to the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11 (453 O.G. 213), please reconsider the above-identified application based on the following:

Amendments to the Drawings begin on page 2 of this paper.

Amendments to the Claims are reflected in the listing of claims which begins on page 3 of this paper.

Remarks begin on page 11 of this paper.

Amendments to the DRAWINGS:

Figures 1 to 5 of the Drawings were objected to because the boxes lacked descriptive legends. Accordingly, accompanying this Amendment are five (5) Replacement Sheets for Figures 1 to 5, which include the suggested descriptive legends. No new matter has been added, and the text is supported by the present application. Approval and entry are respectfully requested.

Attachment: Five (5) Replacement Sheets.
